## Sponsor a Player

This year we are giving you a unique opportunity to sponsor your favorite player for the season. All sponsors will have their name (or company name/website address) appear in each copy of our gameday programme.

So for **just £5** you can 'own' your favorite player.

Please see the merchandise stand for more details, and to choose your player.

Last year saw 14 players get sponsored in this way, and only one of them was by a member of his family! So we are looking to beat that in 2009, so choose wisely and get to the merchandise stand now.....

### The Season So Far – In Statistics!

## Welcome to the game.

Welcome to the Kent Exiles first game of the 2009 season. A special welcome to you if you've come along for the first time, we hope you enjoy the Exiles game day experience and come back again soon.

Today sees the Ipswich Cardinals visit the Exiles. We are old adversaries, having played each other eleven times in the past. The Cardinals lead the series 9-2, so we are aiming to claw one back today. We split the series last season, and the result will depend much on how their close proximity to the US Air Force base at Mildenhall has benefited the Cards this year.

As always watch out for the Cardinals double act of Luke Box and Paul Borstel as running back, they are a punishing pair of runners! Their defensive line is also vastly experienced, and Shaun Rapley especially is a threat.

Today also sees the Youth team in action, versus the Maidstone Pumas. It is the Pumas first game as they are new to the youth league this season, and we welcome former Exiles coach James McCartney and his squad today. The Exiles are looking to start the season 2-0 after beating the Mavericks two weeks ago.

During the year we'll also be featuring our Junior and Flag teams, as yet their games are not finalised, but we'll let you know as soon as they are.

We're always looking to improve the game for you, the fans, so today we have a commentator for you who will keep you informed on the game, and the referee will also be able to announce any penalties, and we hope you enjoy it!

The off-season has once again been eventful, and you'll see some of new faces on the sidelines today, so make sure you give them all a fantastic Exiles welcome and get behind them from the first whistle; it's amazing the difference you, as our 'twelfth man' can have, and how much you can lift the team.

Now, sit back, and enjoy the game!

### Match Report

#### **East Kent Mavericks 14-28 Kent Exiles**

The Kent Exiles Youth Team (16-19 years) secured a sensational win in their first game of the 2009 season, by beating the East Kent Mavericks by a score of 28-14.

The first half saw the Exiles take a 14-0 lead with touchdowns from rookie Tobi Makinde and Chaz Mulvihill, and a conversion from Tom Mann.

The second half started badly, after Makinde was tackled in his own endzone for a safety, giving the Mavericks 2 points. But then junior team Graduate Jamie Prentice snagged a loose pass by the Mavericks Quarterback and returned the interception 40 yards for the touchdown, and a 20-2 lead.

The Mavericks came back into it again when a blown coverage gave them a passing score, and then later on a bizarre play they scored again after their quarterback fumbled whilst being sacked, and the Mavericks running back scooped up the loose ball and avoided tacklers as he ran in for a touchdown. The score was now 20-14.

Not to be denied though the Exiles duly scored again, when Makinde capped off a fine first game with a mazy 21 yard run for the touchdown, it was again converted, and the final scoreline of 28-14 was achieved.

Following the game Youth Head Coach Dave Pester commented "The Mavericks have a decent team, but we held our discipline and kept to our game plan to get the victory. It's a great start to our season, but there are a lot of hard games yet to come, starting in two weeks with our first home fixture against our local rivals the Maidstone Pumas".
