Welcome to the game.

Welcome to the Kent Exiles fourth home game of 2003.

Today sees the Maidstone Pumas visit the Exiles once again; the Pumas have had a two-year break from competition, but have made a welcome return to the league this season. Over the seasons it is fair to say that we have built up a fierce local rivalry, so today should be a good game.

We are currently second in the division after our best start to a season in a long time, and if the season had ended last week we would have been ranked seventh in the league, and had a long trip to Gateshead for our first post season match ever! We aim to keep up the winning streak, and hopefully end the season still in the playoff places.

After today we only have one home game left this season, which we hope to see you all at, but we'd also love your support at the away games as well, so please make the effort to come along. It's fair to say that we might not have won vs. the Cheetahs if you hadn't spurred us on, so please come and help us make it to the playoffs as well, just ask if you need directions, or use our website which is linked to all the other clubs sites.

In today's programme you will find a new addition, I have listed the MVP's from each game so far (just for you Dennis!!).

If you would like to get involved with the Exiles, or American football, in any way we can be contacted by the means listed below. We are always looking for new players, coaches, sponsors, sideline staff, etc. So drop us a line, or just ask us today! We especially need some help in coaching our youth teams.
